Saint Paul Public Schools

206.01

206.01 PUBLIC PARTICIPATION

The St. Paul Public Schools Board of Education welcomes public contribution in district and Board decisions. There are opportunities for public participation in various site-based, district-wide, and community-wide decisions. Community members are encouraged to learn more from schools and the district, and participate in the decisions that affect them. Any interested person will be able to provide commentary to The Board, according to guidelines established by The Board.
