We, the undersigned voters of the City of Los Angeles do hereby petition The Los Angeles City Clerk's Office for redress of our grievances and do hereby request a Recall Election to be held- for cause -against Kevin de Leon.

STATEMENT OF REASONS

This STATEMENT OF REASONS is to inform KEVIN de LEON that recall proceeding are about to begin. Mr. de LEON came to CD 14 promising to help with the homeless situation. First, MR. de LEON must understand this is not a republican/democrat issue, these are crimes against humanity. It is a fact that the homeless population has gotten worse since de Leon took office. The homeless are free to do whatever they want, drugs, stealing, urinating/defecating in public. The homeless run the streets CD14, and the police are helpless to help the community residents from the crimes of the homeless, because the city says "stand down" to the police. Mr. de Leon you assert that most of the homeless population is veterans, seniors, and women and children, we know that is not true by just driving around the neighborhoods of CD14. The "tiny sheds"/tiny homes have not only, not helped, the homeless population is growing daily. The fact that you personally insisted on putting the "tiny homes" directly across the street from a daycare center/park/dog park proves beyond any doubt that you do not have the best interest of our children included in any of your radical decisions. Kevin de Leon also is determined to destroy small businesses on Colorado Blvd. by making the Blvd. a one lane corridor, making parking for these small businesses impossible. You must cease and desist before we have issues that could be life threatening for our families/children. WE ARE ASKING THAT RECALL proceeding START POST HASTE! Kevin de Leon has lied to his constituents, and we cannot see a positive solution for CD14, as long as de Leon is in office.

For these reasons, it is our prayer the election officials will accept this Letter of Intent and show Kevin de Leon IS NOT RIGHT FOR CD14.

We hereby declare that all of the facts contained in this Statement of Reasons to recall Kevin de Leon, ~~to~~

~~believe to be true.~~ *Are True -*
